## Elite Office Collection 2025

Proudly unveiled during our latest appearance at the 34th Tehran International Exhibition

This New Collection represents a fusion of ergonomic precision and minimalist elegance. Crafted from premium materials and with fine attention to detail, each chair is designed to support the body while elevating your workspace into a realm of sophistication.

## About Rahatiran

Since 1989, Rahatiran Industrial Group has been recognized as one of Iran's leading manufacturers in the **office furniture** industry.

In 2024, the company expanded its operations into the **home furniture** sector, marking a new chapter in diversifying its product range and expanding its market presence.

Rahatiran is the **first holder of the ergonomics certification** in Iran's office furniture industry, having received Five trophies from the Biennial Ergonomics Association Congress. The company has earned numerous national and international honors from reputable organizations, and on the global stage, proudly **received the QC100 Golden Star for exceptional Quality** as Iran's sole representative at the 2013 International Quality Convention in **Paris**, attended by 100 countries.

Guided by its strategic goals and market expansion plan, Rahatiran designs and **manufactures a complete range of office and home furniture**. The office line includes executive, managerial, operator, restaurant, medical, laboratory, waiting area, and educational chairs, as well as coffee tables and dining tables. The home line features collections of modern and comfortable sofa sets, single armchairs, coffee tables, dining chairs, and dining tables.

**Committed to a comprehensive quality management** system and nationwide after-sales service, Rahatiran continuously values customer feedback as the foundation of its development – a principle that has driven improvements in quality and expanded product diversity.
